The C-130 Hercules disappeared over New Hanover County, North Carolina, on Saturday. The plane, which was not carrying passengers and had no survivors, was tracked by radar off the coast for about an hour before it went down, and plumes of black smoke were seen billowing out of the sky above the ocean, according to reports. ftpWebRequest.GetResponse().GetResponseStream().CopyTo(file); file.Close(); I'm able to download

like you are trying to download a binary file. Do you actually want to download the file instead of just

one method of doing this: var file = @"c:\temp\myFile.zip"; byte[] fileBytes = File.ReadAllBytes(file);
