
Suzuki Violin Method Book 1 Free Download

The Suzuki (R) method of talent training is based on Shinichi Suzuki's belief that every child is born with abilities and that people are the

product of their abilities. .
What is the essence of the
method? The child comes
to school. He comes to
study. Not for the
purpose of getting an
education, but for the
purpose of gaining a skill
that will allow him to
become a professional
later. At the beginning of

training, the child is
tested abilities.

Depending on the test
results, he is offered
various training programs
to help develop his skills,
talents and abilities. The
teacher and the student
study the results of the
test together to select the
curriculum.
