Features Key:

A Deep Fantasy World with Numerous Terrain Types and Awaiting Valuable Items

Endless Exploration of Explorable Areas

Key Characteristics Unique to Dungeon Hunter Online:

- A traditional control scheme with a realistic feel.
- Easy to Understand Controls to Favor Player Development
- A Well-Tuned Feel so that Player Development is Supported
- Friendly All-Round Game Environment
- In-Depth Character Development with a Diversity of Skills, Systemic Equipment, and Potential
- A Game System that Allows Various Progressing Routes for a Variety of Players
- The Pros and Cons of the equipment system. We give special thought to having equipment that increases in value with use to provide the feeling that the materials used in the equipment are obtained through play, not through simply dealing with a merchant. The Prestige of the equipment is also given special attention so as to impart the sense that it has not been purchased and worn from another player; as it's outfit, you will have a sense of ownership and pride.

Substantial Funding is Going to be Needed to Comply with the Technology as the Final Service Revision Is Approaching.
