"Rebellion" - well-known game developer. His creations have become very popular, because each of them - a masterpiece. In 2014, the company presented its new project - "The Elder Scrolls: Blades", which soon became popular. In this game you can become the leader of a huge army of zombies. You will have to fight in a huge city on an island populated by dangerous creatures. To be able to survive in this

dangerous world you had to go through many trials and gain strength. Only this way you will be able to become a leader and control the zombies. You can download The Elder Scrolls:Blades via torrent right now and start your career. After starting the game, you will see a window in front of you with choices. You will be able to choose several activities: - Master the power and become the leader of an army of zombies; - Run through dozens of minigames and find the secret safe! - Create a powerful zombie army and conquer the world! - Take all the prizes and treasures you can find! - Dangerous enemies and traps! - Fight the super evil wizard and his servants! - Make it

through all the stages! - Face the bosses in the final game! - Make new friends and find love! - Start your own business and create your own zombie clan! - Earn money and unlock new levels and modes!
