Does anyone know why Geonosian scum have followers who think she's really important? Why's she so important, what else does she do? A: The origin is explained in the Rule of One book, The Essential Guide to Warfare in the Star Wars Universe: It was important for the Geonosians to ensure that the rule of one leader was not challenged. Thus, much like the Knights of the Old Republic, Geonosian rulers were appointed by the Jedi Council on behalf of all the Geonosian people, which was put into practice with the Rule of One. The Jubi only became the First of the Geonosians because the Council found her and named her that way. (Quotes from the rulesheets included in some versions of the game.) I guess she makes Geonosis a lot safer for the Republic, and because of that, they feel indebted to her. A: A limited analysis of the Star Wars galaxy, for a history or game nerd, is that there is no such thing as the Corellian Civil War. The first war of the Old Republic, into which the Rebellion and the Empire fall, was fought against the Old Republic, a rival'religious' government of a galactic civilization. The Galactic Empire was formed by the Core of the galaxy's most populous planet, which had made itself the focal point of a war against the Republic and seized control of the rest of it. The conquest of the Core was only finished when the death of the last Emperor signalled the end of the Empire. The term Corellian Civil War implies the existence of two competing governments, which is not the case for the Star Wars galaxy, which is just one governmental organization, without a rival. The Republic has a c6a93da74d
