Motorsport Manager - Endurance Series Reset Key

After making changes, hit the compile button and hope for everything. I, (shortshifted78), increased my stats due to the stamina streak. During this season, I noticed that my stamina was not working as well as usual: I had to go to bed earlier and wake up earlier. Although I could do my job in less time, I felt like I was losing energy and became less energetic. I increased my stamina this season but after this season I will be more energetic than before. I noticed that my stamina has always been a problem. I could never be too tired, but I got tired quickly 0946cee1be
