Hulu supports torrents for over 10 years, yet this site didn't make it into the list of the best torrent sites for some unknown reason. It has a name tag which is a bit misleading as there are no torrents available for the website. It could be because the amount of torrents hosted at Hulu is not large. Nevertheless, you can use a VPN to protect your online activities. Connect to any country for an ideal German torrent experience - Switch between 6 servers in the server list on every change of country. Recommended Free VPN for VPN lovers to use it on unstable networks with different IP address. Through this VPN you can surf the net anonymously. 100% New Torrents Stream Mobile App is a portable mobile app with fastest torrent servers and advanced tracker technologies.
