Children Of The Corn: Revelation (Full Download)

When calls to her eccentric grandmother go unanswered, Jamie Lowell is shocked to discover that her grandmother's last known address is an abandoned tenement house... February 9, 2561 BE · Be · INTRODUCTION: Last year by Jamie Lowell turned 30 years old. Until now, she'd gotten everything she wanted when she wanted, except for one thing. When Jamie received a letter from her grandmother's friend, postmarked last year, she was shocked to discover that her grandmother's last known address was in an abandoned San Francisco apartment building. Jamie quickly found information about the building on the Internet. The building was indeed abandoned, but it still had an address. dd2bc28256
